

WA COUNCIL TWO-WIRE CONTROLLER PACK

The vast majority of WA local council Rainman systems use Rainman Two-Wire controllers with a standardised set of additional components.

The WA Council Two-Wire Controller Pack is a simple way to order the Rainman Two Wire controller with these parts.

Ordering Code: *WA.TWIN.COUNCIL.PACK*

What's included in the pack:

PART NUMBER	CATEGORY	QTY
RS.TWIN.B	Rainman Two Wire controller with sequential firmware in classic enclosure	1
